

## Shipping Information

All shipping carriers are still experiencing delays due to the unprecedented increase in shipping volumes this year. Due to this, we are unable to guarantee exact shipment delivery dates. Please refer to the updated map below as a guideline.

All orders received Monday through Friday by noon PST will ship out of our warehouse in Woodinville, Washington, the same day and all others will ship the next business day. If you have a last-minute rush order that needs to ship out the same business day before 2PM PST, just give us a call at (425) 949-8216 and we'll make it happen. Each drop ship order is wrapped in tissue paper, so it looks like a gift.

## Shipping Method
